

Model Global Parliament (MGP) Bangladesh (BD) 2025

Date: 1 March 2025 Time: 9:30 am to 5 pm

Venue: Bangladesh University of Health Sciences (BUHS)

Plans Ahead:

1. A review meeting with some of the participants and academics to discuss what and how could have been done better.
2. Planning for the next year (2026)
3. Preparation of a comprehensive report
4. Publication of the activities and events of the MGP in the form of a journal/bulletin
5. Sending a request to the President and Secretary of WCCA for their messages for inclusion in the publication
6. Preparation to help develop participants' and mentor's manuals

The event was reported in two daily newspapers; one in English and one in Bangla (Bengali). See below:

Model Global Parliament Held at BD University of Health Sciences

■ Staff Correspondent

The Department of Occupational and Environmental Health, Bangladesh University of Health Sciences hosted the Model Global Parliament event, an interactive simulation aimed at addressing global issues namely, Climate Change, Global Migration Crisis and Cancer Awareness in collaboration with the World Citizen Association (WCA)-Australia. The program was inaugurated by Prof. Dr. Sk. Akhtar Ahmad, the Honorable Vice-Chancellor (In-Charge) of Bangladesh University of Health Sciences with Prof. Dr. M H Faruque, Head of the Department of Occupational and Environmental Health in chair and Dr Wali Islam, Director, WCA-Australia, Prof. Dr. Zahid Hassan, Registrar, as guests. The event was coordinated by Associate Prof. Dr Saika Nizam with Associate Prof. Palash Chandra Banik and Dr. Tanjina Atique. A total of 45 student members participated as parliamentarians, divided into three regional teams: Asia, Australia, and Africa. Teams were led by: Asia: Mst. Sadia Akter, Parliamentarian Leader, Golam Hakkany, Deputy Leader and Mohsina Haque Safi, Whip. Australia: Shaikh Bin Aziz, Parliamentarian Leader, Fahmida Hossain Eshika, Deputy Leader and Monira Monorama, Whip. Africa: Rownok Jahan Nahin, Parliamentarian Leader, Abdur Rajjak Rabby, Deputy Leader and Shafin Rahman Mahi, Whip.

The sessions were chaired with Azizul Hoque Mozumder, elected Speaker of the House, Miss Sumaiya and Sudipta Kumar Mondal as Deputy Speakers. The Speaker provided an overview of the parliamentary rules and regulations, emphasizing the importance of adhering to these principles throughout the session. Following bills were passed in the through lively parliamentary debate and voting:

* On climate change-Countries contributing to climate change should be taxed; Set targets to reduce reliance on coal and promote forest conservation; Promote tree planting with a target of 25% green plantation in each region.

* On Global Migration Crisis: Create skilled workforce programs for migrants; Develop fair immigration systems in developed countries ensuring humanitarian visa programs; Share refugee responsibilities equitably among developed nations to ensure better living standards.

* On Cancer Awareness: Make cancer screening and diagnostic tests easily accessible; Decentralize cancer treatment and ensure access from rural to urban areas; Establish cancer registries for accurate data collection.

Exports edge up

34.71 percent and 11.40 percent, respectively. Leather and leather products showed mixed results. While total exports in this category rose 8.48 percent to \$757.50 million, raw leather exports fell 8.68 percent.

In contrast, leather footwear exports surged 24.02 percent to \$450.88 million, showing a shift towards higher-value products. The engineering sector recorded a 7.48 percent rise, led by electric products and bicycle exports, which grew by 13.51 percent and 64.7 percent, respectively. Specialised textiles, including knitted and
